

## Weight Loss Surgery Foundation of America Seal of Appreciation Program

In August of 2017, the WLSFA launched our Seal Program. Sponsors of the WLSFA are appreciated at all levels and we thank you. Sponsors who are able to support our charitable program at the levels listed below are key to the success of our mission to “Save Lives One Grant at a Time” by funding grants for medical treatments of obesity that are often exempt for insurance policies, leaving many who could be helped, without hope. These sponsorships give HOPE and SAVE LIVES! To honor these sponsors, we have developed the Seal of Appreciation allowing Silver Level and higher sponsors to use of the seal on your website, social media, marketing materials and packaging. ***Use of the seal raises awareness of your charitable giving.*** Support of the community we serve, the people effected by morbid obesity is crucial in a world that often turns away from this disease. The WLSFA believes that raising awareness for the medical treatment of obesity helps in the fight against the bias and stigma that surrounds it. Please consider using a seal of appreciation to help the WLSFA fund grants and shine a light on our cause. Everyone who sees your seal can then learn about the epidemic, complex and deadly disease of obesity and the medical treatments that are too often out of reach for those in need.

### ***Annual Seal of Appreciation Levels Available***
